also believed that subject has been directed by General Radescu to exploit his connections with the western intelligence services. He has claimed high-level contacts with the Horia Sima faction of the Iron Guard, at the same time misrepresenting himself as a delegate of the Rumanian National Peasant Party. He is suspected of betraying a number of Rumanian friends to the Security Police. During 1951 he lived with Margherita Groschopf, nee Ortmayer, alias [illegible] Margarita Groschopf, who, it is believed, assisted him in his intelligence activities. He has used the reputation of [illegible] opportunist who will align himself with any and all groups [illegible] Muriefs Rumanian [illegible] area for Cons[illegible]
